Comprehensive Sustainable Integrated Solutions
Sustain Environment, Secure Future
Joint Solutions, Risk-based Investment
Plan and Rapidly Respond to Disasters; Expeditionary Mindset
Rapidly Deploy and Reach Back Globally

Strategic Directions

Emerging Mission Strategies

- Adopt external focus and perspective
- Maintain technical competence and leadership
- Foster sustainability ethic
- Define role in joint master planning and infrastructure for Army and DOD
- Pursue regional and watershed approach to water resources and infrastructure management
- Maintain capability for rapid response to disasters and contingencies
- Define role in stability operations
